**Requirement profile**

We look for interns that have these skills:

- Able to use the internet well and perform simple research duties using Google.
- Have an upbeat and energetic character.
- Good computer skills and are comfortable with Word and Excel.
- Can speak English well enough to understand instructions and ask questions.
- Comfortable learning new software.
- Can track your time and work to a project schedule.
- Self-motivated, with the ability to work independently with minimal supervision.

**Further special requirements on candidates**

Interns at LiveseySolar receive training in:

- Client relations.
- Project management.
- CRM database.
- Lead nurturing and email marketing.
- Creating and delivering presentations.
- Website development.
- Search Engine Optimization (SEO).
- Bookkeeping.
- Telephone sales and customer service skills.

We have many intern opportunities during these times below every year:

- January - June
- September - December

- The intern chooses their start month – a minimum of 3 months is required to intern with us. It’s a full time
