

Marvel Fusion, founded in July 2019 and based in Munich, is the German technology pioneer in the field of safe, clean and reliable power generation. The company is developing a completely new type of fusion energy technology with the aim of building and operating commercially attractive fusion power plants. Marvel Fusion's current team of about 25 people, including world-leading scientists and experienced entrepreneurs, has developed a unique technology that dramatically increases the probability of fusion and builds on recent advances in laser and nanoscience.

Marvel Fusion's mission requires a high level of team effort as well as close and constructive collaboration between experts from diverse knowledge disciplines. To strengthen our team, we are looking for you to join us as soon as possible on a full-time basis as a

Intern Communications & External Affairs (m/f/d)

As an Intern Communications and External Affairs you will help with refinement and implementation of Marvel Fusion's policy strategy.

Your tasks and responsibilities:

- Conduct in-depth policy analysis
- Research public funding opportunities
- Produce strategic communication materials

Your Profile:

- High degree of personal and professional maturity
- At least in the fourth semester of his/ her bachelor studies, with either a communications, policy or political science background
- Previous experience in (political) communication preferred
- Excellent proficiency in English and German
- Proficient in Microsoft Office Suite
- Excellent communication skills
- Self-motivated with a high degree of initiative
- Exceptional work ethic and a deep sense of accountability
- Ability to work well independently and as part of a team

Working in our fast-growing team offers you a wide range of opportunities to develop professionally and personally, show initiative, take responsibility and help make influential decisions.

Become part of a pioneering company with the opportunity to make a decisive contribution to the global energy transition.

We look forward to receiving your application with CV and relevant references.
